Heather Hill, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Love and Marriage is a book of humorous and heartwarming comparisons between love and marriage to make you smile, even laugh out loud. Some are poetic like, Love is a newly formed bud. Marriage is a full bloom. And Love is you and me. Marriage is us. Others are humorous, Love is when two people become one. Marriage is when they try to figure out which one. And Love is taking your partner out. Marriage is taking the garbage out. The rose bud on the front cover is reminiscent of a heart because love is a gift from the heart and the rose on the back has grown into full bloom like a marriage. There is a dedication page so you can personalize it for that special person or persons, or a special occasion. The back pages provide a place for people to sign or add personal messages. The cover is suitable for display or to brighten up your desk, shelf, bedside table, or coffee table. Love and Marriage makes a special gift for friends, family, your spouse, or yourself or to have as a keepsake for special occasions like weddings, anniversaries, birthdays, Valentine s Day, Christmas, or any day that s special. Why just give a card when you can give a gift that can be emotionally rewarding and uplifting. The gift of Love and Marriage.
