Faber Music Ltd, United Kingdom, 1991. Paperback. Book Condition: New. 265 x 220 mm. Language: N/A. Brand New Book. Among the torch-bearers in the funeral pocession of Ludwig van Beethoven was a small, stocky young man of thirty, with curly dark hair and spectacles. For Franz Schubert, carrying the torch was simply an act of private and public homage; but we can now see that it had a far deeper significance. The torch of Beethoven s genius had been passed on to Schubert - the last great Viennese composer of the late 18th century. This illustrated biography of Schubert s brief, but astonishing, career is set against the colourful background of Metternich s Vienna. Music extracts include some of his most memorable melodies, among them the Unfinished Symphony , Rosamunde , the C Major Quintet and songs such as Heidenroslein .
