## Touchthinklearn: Farm

By Xavier Deneux

CHRONICLE BOOKS, United States, 2015. Board book. Book Condition: New. Reissue. 201 x 161 mm. Language: English . Brand New Book. Featuring spreads each with raised shaped objects that fit into scooped cutouts on their opposite page, these two new TouchThinkLearn books offer the youngest learners an irresistible opportunity to explore their universe in a hands-on multisensory way. Seeing the image, tracing its shape, saying its name: these modes of perception combine in a dynamic way to stimulate understanding of essential concepts. Discover--and experience--a pig by tracing its raised outline on one side and the concave form of the mud puddle it wallows in on the other. Clusters of related words on each spread offer parents and children a springboard for further conversations to encourage the language skills so crucial to later successful learning. In a format unlike any other, these groundbreaking books translate abstract thought into tangible knowledge.

### Reviews

*This is the greatest book i have read through till now. It usually fails to charge excessive. You can expect to like how the blogger publish this ebook.*

-- **Adan Dickinson**

*This publication will not be simple to get started on looking at but quite entertaining to learn. It generally fails to cost an excessive amount of. You will not feel monotony at anytime of your time (that's what catalogues are for about if you ask me).*
