Brand New Book ***** Print on Demand *****.Kids Diary Books age 9-12 Hi, it s Georgie Mills here again. Listen, what would you do if you had the opportunity to be away from home for an entire week? You d jump at the chance right? Well I did. A whole week away from my parents and more importantly - my annoying sister Sophia. My school had organised a class trip that was to be full of activities and adventure. Not surprisingly, I was the first in line to hand in my consent form. Unfortunately, things didn t go as I had expected them to. For a start, Melanie and Millicent Munchkin came and were more horrible than usual. Then there was the hotel. A crumbling building in the middle of nowhere; it wasn t surprising that talk soon turned to ghosts who roamed the corridors. I was even more freaked out when spooky things started to happen. Are ghosts real or is it just my mind playing tricks on me? There s only one way to find out. The Rubbish Witch Diaries are the magical stories of a young girl, who despite her gift, still has to deal with the daily pressures of bullies, friendship and family. Join Georgie and read how being a young witch isn t as glamorous as it sounds. Witch books for kids just got cool!.
